

10th ANNUAL

2009 SenioRITAs at Sawgrass

Women's Doubles Tennis Tournament

and Silent Auction to Benefit Breast Cancer Research

**Research
is the
Answer!**

There is a growing excitement as we celebrate the 10th year of SenioRITA Tennis Tournament at Sawgrass Country Club. With an all-volunteer team effort insuring that **100% of our event's proceeds go directly to fighting breast cancer through research**, we have raised over \$400,000! This disease strikes 1 in 8 women and we want researchers to find a cure.

SenioRITA proceeds from donations, tournament entry fees, party and auction directly benefit critical medical research and patient services at Mayo Clinic, Jacksonville and Baptist Medical Center Beaches. All money raised in Northeast Florida stays in our community, but exciting research efforts hold promise for hundreds of women everywhere who may face breast cancer diagnosis in the future.

Thank you for your belief in and support of this vital annual event
